Sprint 2 Plan: Vroom 1.0 (Completion Date: 19/11/17)

- Goal:
- Task list, organized by user story
  - (8) As a user I want information about my car(s) (like make, model, and year) and my experience level to be stored by the app so that maintenance reminders and educational information can be customized for me.
    - ▪
  - (13) As a user, I want to be able to see an upcoming calendar of events and receive push notifications related to my car and its maintenance
    - ▪
  - (13) As a team we need to incorporate Vroom as a limited liability company so that we can purchase a developer account on behalf of the team.
    - ▪
