Sprint 2 Report: Vroom (Revi Tech LLC) 11/21/2017

- Actions to stop doing:
  - More testing before pushing
- Actions to start doing:
  - Keep definition of done in mind
  - Stay on top of posting deliverables on GitHub repo
  - Move cards on Trello more
  - Actively adapt Trello board to match emergent needs of product
  - When you add a feature test everything to make sure your feature didn't break the app
  - Before everyone starts on a new task, everyone needs to be able to build the app
    - Make sure it works x-platform
- Actions to keep doing:
  - Keep communicating well
  - Keep working towards something
- Work completed/not completed:
  - Completed:
    -
  - Not completed:
    -
